

**MEETING MINUTES**  
**BIG DRY CREEK WATERSHED ASSOCIATION MEETING**

**Thursday, June 23, 1:00-3:00 p.m.**

**Broomfield Water Treatment Plant**

**4395 W. 144th Avenue**

- 1. Presentation of Draft Findings for the Lower Big Dry Creek Hydrologic Study by Jane Clary and Andrew Earles, Wright Water Engineers, Inc.**

See attached Powerpoint Presentation handout for overview.

- 2. Group Discussion and Recommendations Based on Hydrologic Study Findings**

No objections were raised to findings presented at the meeting.

A final written report will be posted to the Big Dry Creek Watershed Association website ([www.bigdrycreek.org](http://www.bigdrycreek.org)) no later than July 31, 2005. Hard copy reports will be provided to project sponsors.

Please contact Jane Clary at (303-480-1700) or [clary@wrightwater.com](mailto:clary@wrightwater.com) with any questions. If you would prefer to receive meeting notifications by e-mail, please e-mail your request to [clary@wrightwater.com](mailto:clary@wrightwater.com).
